

PERMISSION TO PUBLISH IMAGES OF STUDENTS AND STUDENTS' WORK/TESTIMONIES

Your permission is sought for Spiritword Academy to publish video or photographic images and/or samples of your work/testimonies taken during your stay in this Academy.

If you give permission, the school may publish the images internally, online and hard copy school newsletters, fliers, the Academy's public Internet websites, SOM annual magazines and local newspapers. If published externally to an open website or publication, third parties would be able to view the photographs and work.

By signing the attached consent form, you agree to the following:

- Spiritword Academy may publish your first name with or without your last name.
- The images or work samples would be used for the purpose of educating students promoting the school.
- The images or work samples may be reproduced as many times as required for these purposes.

Any video or photograph captured by the school will be kept for no longer than is necessary and will be stored and disposed of securely. Whilst every effort will be made to protect your identity, the Academy cannot guarantee that you will not be able to be identifiable from the video, photograph or work sample.
