1. SPIRITUAL

Our goal in SOM is for you to deepen your relationship with God and your spiritual roots. You will learn how to better study your bible, deepen your prayer life, and grow in your knowledge of God. PRACTICAL

Prayer Training

We inculcate the spirit of prayer into our students through a well regimented prayer structure. Our prayer discipline structure includes:

1. BREAKFAST PRAYER

Students and teachers of the Academy pray together in the morning 3 times in a week through the period of the training between 4:30am – 5:30am. This emphasizes personal development and ministry.

2. DAILY PRAYER ASSIGNMENTS

Each student of the School of Ministry is expected to pray in tongues individually for at least one hour daily and report to his/her supervisor before mid-day.

3. PERIODIC PRAYER STRETCH

We engage our students in periodic all night prayer stretch.

ALTAR OF FIRE

The fire shall ever be burning upon the altar; it shall never go out. - Leviticus 6:13

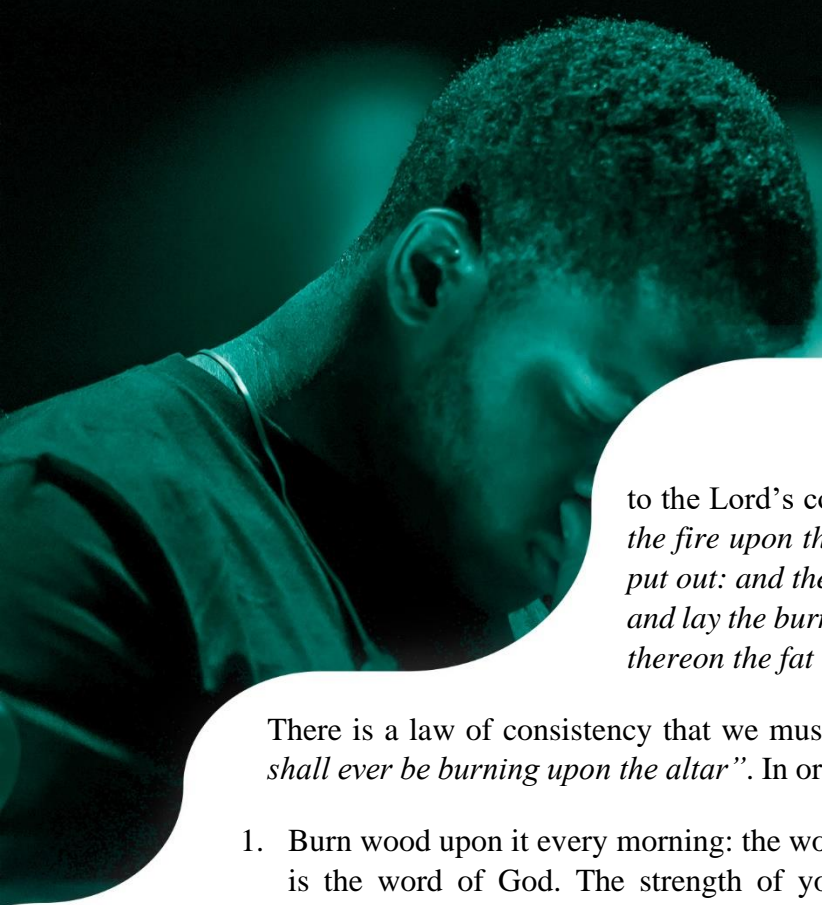

An altar is a meeting point between humanity and a deity. That is, a point of contact between the physical realm and the supernatural realm. In the New Testament, we don't build physical altars in order to access God. We make contact with the supernatural realm in the place of fellowship and prayer. Our prayer life creates an altar for a meet with God. In the place of prayer, we can appose the heaven and the earth for divine intervention.

It is important that we keep our prayer altar red-hot without which we lose fervor. There is no room for lukewarmness (Revelation 3:15-16), a cold fireplace eventually becomes a nest for beasts. When the believer's prayer altar grows cold, he exposes himself to become a prey. The devil does not fear a believer who has knowledge of prayer, but he definitely is afraid of the prayer of the believer because it is always effective and effectual, catastrophic to his kingdom agenda (James 5:16). If you don't pray, you eventually become a prey. Some people believe that as long as you let the sleeping dog lie, you will be fine. But, that's far from the truth. The entire world lies in wickedness (1 John 5:19) and whether you go look for the devil or not, he will look for you.

As believers on assignment, we cannot just go about knocking on the gates of hell without being sure that the fire within us is more than the one within them. We live in the days where our evangelism to the unbelievers and preaching upon the pulpit must be characterized by fire because of the level of dross in the heart of men. The deception of the devil and the chains holding men in darkness will respond to nothing but a fire enhanced evangelism and preaching. If you want to make an indelible impact in this world, you must be fired up.

It is not so much of a choice but a command that the Lord gave in the book of Leviticus 6: *And the LORD spake unto Moses, saying, COMMAND Aaron and his sons, saying, This is the law of the burnt offering: It is the burnt offering, BECAUSE OF THE BURNING UPON THE ALTAR ALL NIGHT UNTO THE MORNING, AND THE FIRE OF THE ALTAR SHALL BE BURNING IN IT.* - Leviticus 6:9. It therefore becomes imperative that we walk in obedience

to the Lord's command. But how do we go about this? *And the fire upon the altar shall be burning in it; it shall not be put out: and the priest shall burn wood on it every morning, and lay the burnt offering in order upon it; and he shall burn thereon the fat of the peace offerings.* – Leviticus 6:12.

There is a law of consistency that we must employ to maintain altar of fire. *“The fire shall ever be burning upon the altar”*. In order to maintain the fire, we must be ready to:

1. Burn wood upon it every morning: the wood that strengthens the fire of our prayer life is the word of God. The strength of your prayer life is first the strength of your revelation in prayer. You must continually feed yourself with the revelation of God's word. That's the foundation for faith and answered prayers.
2. Burn the fat of the peace offering: fat speaks of the richest part. A believer that wants to maintain an altar of fire must be ready to give God not just his spare time in prayer but a quality and decisive one. Not just by convenience but as a matter of commitment. We must be ready to engage in protracted prayer. The bible said that the fire shall be burning all night. Our night time must be maximized for prayer and not just for sleep.

In conclusion, maintaining the fire upon your altar will require consistency in prayer, one hour of prayer and fellowship every day is better than 10 hours of prayer only on weekends.

TESTIMONIALS

I can't believe that I can now freely intentionally start an evangelism conversation, I had so much anxiety before OPERATION PHILIP, it was so intense that I had to call Pastor Femi, he gave me insights and scriptures to pray with, I eventually went out and surprisingly I did most of the talking, it was spirit lifting and I'm not stopping, I now have a team that we plan to go out monthly. It was a great leap for me and I'm so happy, that was the only section I had been struggling with, probably because I didn't know much scriptures too talk less of knowing what to preach. I went from being an ignorant to someone who can actually enlighten people, the confidence and non hesitation to step in amazes me too. I'd like more of this, I only see this as a start and I wana say thank you to spiritword academy, I learned so much and I know I still have more to learn now
